What Malta's pet parents say about us

“

Yaz did an amazing job caring for my cat while I was away for five days. My cat has some health issues, and she was very thorough with Kitty's care and kept me updated on how he was feeling every day!

★★★★★

Kitty's five-day stay

“

After multiple failed tries with other groomers, seeing our Cashew clean and knot-free was a delight! Cashew is a feisty orange cat who gets aggressive when he doesn't like something — but their work was impeccable!

★★★★★

“

I can't say enough good things about Michaela! We travelled to Albania and were nervous about leaving our dog Pako behind — but from the moment we met her, we knew Pako was in great hands.

★★★★★

Pako, while abroad

“

I 100% recommend Gaby — she did a great job caring for my 2 dogs and cat while I was away 10 days. The photos & messages meant I could enjoy my holiday, knowing my babies were cared for like they would be at home.

★★★★★

10 days, 2 dogs & a cat

“

Yaz was amazing with my dog Roscoe while I was away! She stayed at my place, took him on regular walks, and gave him lots of love and attention.

★★★★★

House-sitting for Roscoe

“

Highly recommend Yaz. We were abroad when one of my cats got an eye infection she suffers with frequently — she had no issues catching the cat and applying treatment, even though the cat is very afraid of strangers.
